Vic West Organics

OUR STORY

Strong advocates of a toxic free lifestyle, embracing natural alternatives for personal care, home care and our wellbeing - we have partnered with an expert in the organics industry, with over 40 years of experience in the skin care field to create our range of products, which we are sure you'll love!

We believe that nature knows best, and by using the best organic and chemical free botanicals we produce alternatives that benefit our self care, our wellness, our pets and our planet.

OUR GOAL & VISION

Continuing in raising awareness and sharing of knowledge & education of Toxic Free Living alternatives

Manufacturing of chemical free and natural products for personal care, home care, health & pets

Further exploring & expanding healthier options

Selecting & using only the purest of ingredients

Committed to making "Organics" accessible to all

Using ingredients & packaging that is safe for us, our pets and our environment

Wholesaling the VWO range to distributors, health shops, green grocers, pet stores & other health conscious outlets

Exploring & creating employment opportunities for local community via the VWO manufacturing & distribution

Supporting Local, Small/ Community Businesses, Manufacturing & Trade

Proudly Supporting Australian Made

Vic West Organics

HAIR CARE

SUITABLE FOR ALL HAIR TYPES

VWO Shampoo & Conditioner

Our VWO Professional Salon Grade Shampoo & Conditioner will be sure to revitalise even the most damaged hair type!

A high moisture formula enhanced by Organic Argan Oil will ensure that your hair is left feeling revitalised and nourished.

With the added benefits of Certified Organic herbal extracts and essential oils sourced from the highest quality Organic Ingredients.

It is perfect for healing hair affected by chemical processing and colour treatments.

Vic West Organics

BODY CARE

MOISTURISING & NOURISHING

VWO Hand & Body Wash

Our VWO natural, skin conditioning Hand Wash & Body Wash are formulated with Certified Organic Aloe Vera & Argan Oil to revitalise & nourish, as well as certified organic calendula to soothe & gently cleanse your skin whilst helping to rejuvenate. A luxurious formula naturally fragranced with the finest essential oils to leave skin fresh, soft & supple.

VWO Hand & Body Lotion

The VWO Hand & Body Lotion is a luxuriously smooth moisturiser made with the finest botanical ingredients. The non-greasy lotion is blended with nourishing macadamia oil, shea butter & olive oil. Scented with only essential oils that have been stringently tested and certified as 100% pure & natural.

Vic West Organics

HEALTH & WELLNESS

HEALTHIER CHOICES

VWO Bath Salts

Formulated to allow you to soothe and relax your Body, Mind and Spirit.

This highly nourishing and luxurious bath salt soak is sure to leave you feeling relaxed, pampered & rejuvenated.

Formulated with only the finest of ingredients known for their beneficial wellbeing properties.

VWO Castor Oil

Castor oil has been used for centuries to relieve inflammation, aches & pains, to assist digestive ailments, applied in body compresses. It is also widely utilised as an emulsifying agent, in cosmetics applications, to moisturise & nourish skin & hair.

VWO Castor Oil Packs

Consists of:-

Body wrap, neck wrap and 50ml cold pressed - hexane free castor oil. Anti leak, Reusable, Adjustable Size, Zippered pocket for inserting heat pack or cold pack, Storage bag

Vic West Organics

HOME ESSENTIALS

TOXIC FREE LIVING

VWO Fruit & Veggie Wash

From growing to handling, to transporting to you - our fruit and veggies come into constant contact with grease, grime, bacteria, wax, pesticides, herbicides & other chemicals.

Rinsing in water alone just won't do!

Our VWO Fruit and Veggie wash is formulated to remove dirt, grime and any nasty chemicals. Alcohol Free Formula.

Vic West Organics

PET CARE

OUR PETS DESERVE THE VERY BEST!

VVO Pet Shampoo

Chemical and Toxin free VVO Pet Shampoo combined with the calming benefits of Lavender essential oils for a clean and healthy coat. Perfect for your pets, especially those with sensitive skin.

VVO Pet Conditioner

Chemical and Toxin-Free VVO Pet Conditioner combined with the calming benefits of Lavender essential oils for a soft and healthy coat & Neem oil to keep the bugs away! Perfect for your pets, especially those with sensitive skin.

VVO Pet Spritz

Use in between shampoo baths. Dog & Cat Coat/Smooth/Shine/Deodoriser is a highly nourishing coat conditioning detangler and deodoriser for all breed of dogs & cats. Freshen and groom with natural botanical extracts powered with Seaweed Algae & Natural plant extracts. Highly beneficial for healthy skin and coat conditioning.

OUR TEAM

Sharing similar “good old fashioned” values of home made and grown, natural lifestyle choices, Doris and Maddalen have formed a partnership of fellowship, partaking in their passions of creating products for the body, home and pets not just in their own homes but for all to benefit.

DORIS BORKOWSKI

A mother of 4, a grandmother of 2 and an avid advocate of a holistic approach for better health and wellbeing (which is based on balance of the mind, body and soul).

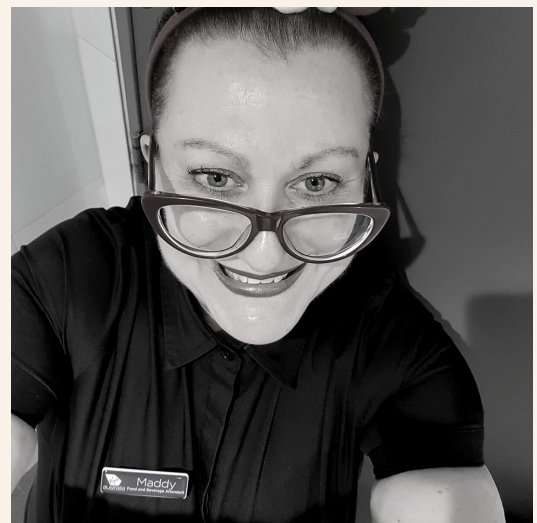

For many years embracing and sharing a more natural and organic way to not only reduce toxins but to also support overall lifestyle with natural alternatives for personal, home and health care. Trained and practising in holistic therapies, passionate about home grown organic veggies and fruit, composting, backyard chooks and bees!

Ph; 0405 107 365

MADDALEN GHAYOORI

Passionate about people and inspiring others. An advert lover of natural the way nature intended it to be. All things local, supporting small businesses & local communities. Loves the authenticity of creating with what Mother Earth has provided. Trained in cert IV massage therapy. Loves the healing benefits of using pure essentials oils. Loves to cook and sharing in the goodness of real food made with love.

Ph: 0411 091 770
